Adaptive Events

There will be a 500m Mix-Ability 2x event taking place at this regatta.

This is a format of adaptive 2x racing that has been run with great success within BR and so we are looking to trial it in Scotland for the first time. Please contact grccaptain@gmail.com directly for more information about entering this event and any other formats of adaptive races we can offer.

Prizes

Prizes will be awarded for all events with 2 or more entries. These will be presented at the prize-giving ceremony after racing has concluded. Followed by the end-of-season BBQ (weather dependant).
